

PRE-REVIEWER EFFORT CERTIFICATION

AUGUST 2019

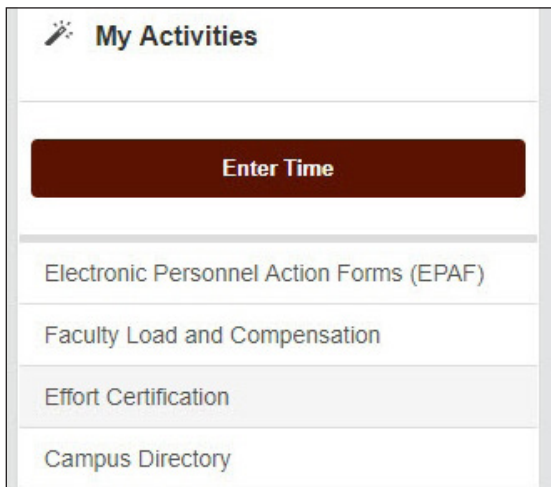

Effort Certification

The Banner Effort Certification system documents and verifies the portion of time (or effort) that university personnel devote to grants and sponsored projects, teaching, clinical practice, and other activities.

If you are a pre-reviewer for grants or sponsored project, you will receive an email notification the effort is ready for pre-review.

There are three phases of the Effort Certification process – Pre-Review, Certify and Post Review, but not every grant or sponsored project follows all three phases. Check with the Division of University Research if you are not sure which schedule to follow.

The screenshot shows a web interface titled "My Activities" with a list of menu items. A prominent dark red button labeled "Enter Time" is positioned above the list. The menu items are: Electronic Personnel Action Forms (EPAF), Faculty Load and Compensation, Effort Certification, and Campus Directory.

LOG INTO BANNER SELF SERVICE

1. Log on to Banner Self Service (banner.rowan.edu)
2. Select the Employee tab and then Effort Certification*.

*When Banner 9 Employee Profile goes live in Fall 2019, you will select Employee Dashboard instead. In Employee Dashboard, select Effort Certification

Goals of this Guide

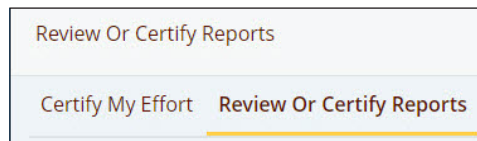

Pre-Review is the first phase in the effort reporting process. In this phase the department administrator reviews the reports (prefilled from Banner) to ensure that the effort displayed is a reasonable estimate of the individuals time (or effort). Contact the Division of University Research to adjust any funding, either sources or amounts, on an effort report.

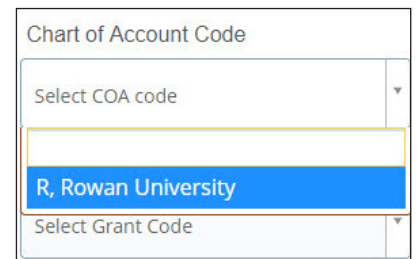

In this guide you will learn how to log into Effort Certification and review effort for your department.
